

# ON THE RECORD(*ER*)

Interview with Vicki Boeckman

## Vicki Boeckman in conversation with moderator Inga Funck

Vicki Boeckman, an internationally acclaimed performing and recording artist, will talk about the amazing diversity her career has brought: from **performing** with the finest musicians and musical groups of the day, to **teaching** recorder to all age groups, and thriving in the role of **artistic director** of recorder workshops and recorder societies.

You will also hear about the benefits of **Alexander Technique**, the realities of a professional recorder player during a pandemic, and much more.

Feel free to **submit questions** you might want to ask in advance and share the info about this event.
